The second network meeting within the IIRA (Immigrant Integration to rural areas) project will take place
19-20 September 2017 at
Varbergs stadshotell, Varberg, Halland

Key topic:

How can the public, private and non-profit sectors work to integrate newcomers to the labour market?

Welcome to two days with interesting excursions to various projects and activities, inspiring and useful lectures and workshops, further international networking and panel debates!

A detailed invitation will come, but make sure to save the date already. There will be a limited number of participants!

See you in Halland in september!
